

Project Coordinator/Part Time

We're on the hunt for an enthusiastic project coordinator based in our London studio. At Price & Myers the Project Co-ordinator role is essential in providing project-related support within the engineering groups. This allows the technical staff to focus on the engineering, enabling our projects to run smoothly.

Price & Myers is a structural engineering practice, established by Sam Price and Robert Myers in 1978. Over more than four decades, we've completed a huge range of projects, from Stirling Prize winners to the more domestic. We are designers who help architects and clients bring their vision to life with elegant and efficient engineering. There are about 150 of us across our four studios in London, Oxford, Nottingham, and Manchester.

Key Tasks

Project Coordination

- To receive, file and issue all drawings on all large projects – both by use of the internal server systems, but also using the file management system and external extranet sites – 4Projects, Aconex, Dropbox etc.
- To work closely with the CAD team regarding issuing of drawings and implementing agreed BIM protocol and naming conventions.
- Attend external meetings and workshops organised by other organisations in respect of the specific extranet site proposed for a project.
- To carry out Desk Studies on projects and research on buildings & sites – e.g. by visiting the Metropolitan Archive.

Project Administration
